Presidents Report: by Sean

Greetings everyone and welcome to the May Newsletter.

The Corvette Nationals have been run and done in Parkes NSW. Gary McPhee and Tim Epton picked up C8 and C5 trophies, congratulations to both of them. I have prepared a report for this newsletter with a rundown of the shenanigans.

This month's run was down south thanks to Tim Epton and some helpers, and the club dinner was at The Lakes, thanks to Peter and Shirelee. Anyone with any club event ideas, get in touch with our new Events Coordinator, Goof. Check out the 'Club Events' tab on the Club website for information on upcoming events.

The First Lady is putting on a High Tea event in the City on May 3, which also happens to be Election Day. Entry to the event is closed now as money and booking have been made. Keep your ears open for details on the Men's event at the same time at Holey Moley indoor golf. Alan Litchfield will be leading a group on Sunday 18th May to Kadina for the Copper Coast Cavalcade of Cars (pre 1996), check out the Club Calendar for more information.

Rob McConnell hosted a Nationals Committee meeting recently and plans are now well underway for the 2027 Adelaide Oval event, coinciding with the Club's 50th anniversary.

Sean.

Something to please keep in mind

We kindly ask that if you plan on attending a club run or dinner, it is important that the organiser is informed beforehand on who is coming.

When members turn up on the day without doing this, it often causes an issue with seating and potentially catering. Be sure to always notify us of your planned attendance.

SERGE'S GREENMAN INN RUN

On a day when everybody should have been well rested after an extra hour sleep (as the clocks went backwards), a number of CCSA members came out with their Corvettes to play.

So down came the roofs on the convertibles for those that could, as the weather was perfect for a morning cruise through our stunning Adelaide Hills ready to take in that fresh Autumn air.

Rounding up the members on the flats at the RAA carpark in town, was my wingman, Tim Epton fresh from his C5 recognitions at the Corvette Nationals. With a real desire to lead the Corvette convoy, and so he should, through the city and up the freeway to picturesque Stirling.

From here it was onwards and outwards through the winding roads that took us through the leafy treelined townships of Stirling, Aldgate, Mylor, Echunga, Meadows and into Ashbourne, all of which were lined with full autumn colour and I'm sure a talking point by many.

On arrival at the Greenman Inn carpark, most people commented on the route and how they enjoyed the drive and scenery along the way which was rewarding as this was my plan as the event organiser.

The publican was certainly under pressure on the day with the hotel at full capacity with 150 persons to be served, which included both the Pontiac and Triumph car clubs emphasising this venue's popularity. Regardless, not without some delays, they did present a nice meal in good portions that people enjoyed.

Now this little gem is exposed for all to revisit knowing what to expect, especially through our upcoming winter months when the log fire will be burning and friends can catchup in Australiana surroundings.

Thanking the 38 members that attended this event, making it a pleasant and memorable club day out. Hope to see you soon at one of our next outings.

Cheers Serge

2025 PARKES CORVETTE NATIONALS.

The '25 Corvette Nationals was the turn of the **NSW Corvettes Unlimited Club**, who made the decision to hold the event at the regional town of Parkes due to the recent floods causing some economic devastation. It was hoped that the Nationals would in some small way give a boost to the town.

A couple of club members headed off early, the McBride's to Sydney and Alan and Dale heading off early so as not to tax the C3 or themselves.

6 cars met up at Tailem Bend on the Thursday morning, Prez/1st Lady, the McPhee's, Tim, Val and Hans, the Wombats and a W.A. member that we managed to find somewhere. Yes we were running a little behind, but that drive diagonally across Adelaide in the morning traffic was a giant pain, we don't want to do that again.

Our first segment was to Ouyen, Victoria for lunch stop. This was our go to lunch stop last year for the Canberra run. We decided to top up fuel at the self serve (i.e. no shop or attendant) servo on the corner near the café. Well, bugger me, the pumps were on a 'go slow', maybe they were CFMEU members who hadn't been paid off. After a considerable amount of time I managed to get 7 litres into McGarrett and the others didn't fare much better. Time to get out of there.

We were off to Hay, New South Wales for our overnight stop. We rumbled into town, found our motel and proceeded to have a staff meeting with refreshments. We were recommended the Hotel across the road for meals and off we went. I had the pork ribs and they were fantastic, as good as any ribs I have had in the States. Everyone who had a meat dish was impressed, and suitable feedback was given to the publican.

In the morning we fuelled up and had breaky at the café next door. When I got fuel the Indian console operator commented on the impressive Corvettes and asked if we "were all friends" I told him we were when we left Adelaide, but it's a long trip to Parkes !

The plan was to stop at West Wyalong for lunch, but we had an unscheduled stop at Rankine Springs when the C7 bottomed out on a dip. It sounded like the whole diff whacked the ground. We found a little stop that allowed everyone to stretch the legs and use the toilet. I checked under the car and found it was an exhaust U bolt that had hit the ground, it had a noticeable rub mark on it.

After a lunch stop at West Wyalong bakery, we headed north and were suddenly met by a herd of cows across the roadway. As we all know, a 500 kg cow is the natural enemy of a fibreglass Corvette, so we proceeded slowly and with great caution. It was a sound decision as we then came across 600 kg horses grazing as well.

We eventually rolled into Forbes and it was only a short drive onto Parkes, getting there mid afternoon. After checking in I was asked if I knew there was a Presidents meeting at 4 pm - no I did not know that. So, everyone else was off to the bar, and I was off to the meeting. After the meeting I had to walk past everyone at the bar and wash the C7 to get rid of the bugs and roadworks. It was about then, it decided to start raining. The show and shine was first thing in the morning so I had no choice.

The Friday night meet and greet was an interesting affair. Once everyone packed in, they offered a period of free drinks the noise level went to about 120 decibels. We ended up in Peter and Lynda's room for drinks, and apparently Tim was the last to leave.

Saturday morning came with dark skies, but the predicted 70mm of rain didn't happen. So, it was only a chamois of the cars and we were off on the cruise through the main street of Parkes, then off to the showground. I counted 103 cars, everything from C1 to C8 Z06 and E-ray. Wombat and Allan graciously offered to help with judging on the day. The girls went off on the Parkes mystery bus tour, including the Elvis museum.

The Saturday night show was at the golf club, and the bus picked us up from across the motel across from us, it was a bit late, but we got there. There were raffle prizes, a roast meal and some singing chicks. The bus to take us home was a bit late, but we got there.

Sunday morning saw the cars assemble along the highway between the motels, half to head to the dish, the other half to the Forbes auto museum. The plan was to meet at Forbes for photoshoot and lunch. After the museum our half headed on down to the reserve for lunch, but were waved away, apparently, we had to go across to the rugby oval for the photoshoot. We had to wait for the Dish cars and eventually the photo was done and we could drive back for Pizza. After pizza, we headed back thru Parkes and out to the Dish for a well-deserved golden gay time. Then everyone was back for refreshments and watching the Crows game with Gary and Cathy.

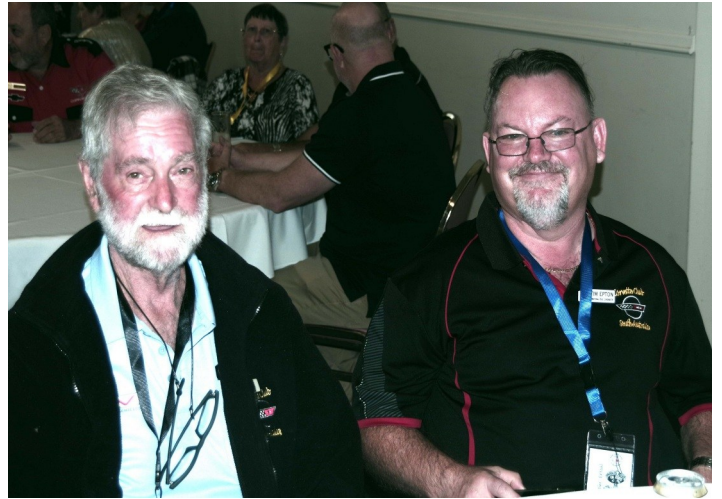

Sunday night gala dinner was at the Parkes Services Club. The bus was late picking us up again. It was even later than Saturday, but we got there eventually. A black and white theme for the night and alternate drop, and the meal was quite good. There was a number of mix ups with the trophy presentation but at the end Tim picked up best C5 trophy and Gary picked up best C8 trophy. Wombat did win the C4 trophy with his C6, but graciously declined the offer. When we went to catch the bus back, it actually left early with an empty bus, and some unhappy punters coming out the door. I don't know what the story was with that bus guy. We went to plan B and called a cab and somehow squeezed in with the giant framed C7 racing photo Kirsty won in the auction.

Monday morning saw a parting of the ways, with us, McBrides and Tim going back via Swan Hill, and the rest heading off towards Bathurst, Canberra, Victoria and home. With Peter leading the charge it was going to be interesting, he had already dropped the disclaimer that he was going to "take the roads less travelled" but eventually we made it to Swan Hill safe and sound. We had dinner at the Swan Hill RSL.

On the Tuesday we were heading towards the B12 and Tailem Bend, the hotel being our lunch time destination. Again, Peter had us on some 'interesting roads less travelled' and I could definitely hear banjos playing in the background at one point on that single lane road, but eventually we found our way out. Peter reckons he was always confident. After lunch we headed off down the freeway and back to Adelaide, 6 days in the Corvettes at an end.

Sean.

Get your Kicks in 26

20th – 23rd March 2026

36th Corvette Nationals

SUNSHINE COAST AUSTRALIA 2026

The Corvette Nationals is a premier event that brings together passionate enthusiasts of the iconic American sports car, the Corvette. This year marks the 36th edition of the Nationals, and it promises to be bigger and better than ever. 'Get Your Kicks in 26' is proudly hosted by the Queensland Corvette Club Inc. and with our valued Sponsors we will be in a stunning location on the Sunshine Coast, the 4-day event is scheduled to take place 2 weeks before Easter.

THE VENUE: SUNSHINE COAST

Nestled in the stunning region of Queensland, Australia, the Sunshine Coast provides an idyllic backdrop for the Corvette Nationals. Known for its beautiful beaches, lush hinterlands, and vibrant communities, the Sunshine Coast offers a perfect blend of relaxation and excitement. Attendees can expect to enjoy the scenic beauty of the area while reveling in the festivities of the event.

THE CARS: CORVETTES GALORE

At the heart of the Sunshine Coast Corvette Nationals are, of course, the Corvettes. From classic models to the latest high-performance editions, the event will showcase a dazzling array of these beautiful machines. Attendees and the public will have the opportunity to see some of the rarest and most exquisite Corvettes in existence, each with their own story and history.

Classic Corvettes

For many, the classic Corvettes are the true stars of the show. These vehicles, often lovingly restored, represent the rich heritage of the brand. From the sleek curves of the 1953 C1 to the powerful lines of the 1963 C2 and 1968 C3, classic Corvettes will be on display, offering a nostalgic journey through automotive history.

Modern Marvels

While the classics draw admiration, the modern Corvettes C4, C5, C6, and C7 will leave attendees in awe of the advancements in technology and design. The latest model, such as the C8 with its mid-engine configuration and cutting-edge features, demonstrates how the Corvette continues to evolve while staying true to its performance roots.

ACTIVITIES AND HIGHLIGHTS:

The Sunshine Coast Corvette Nationals is more than just a Corvette show. It is a bona fide 4-day celebration with a variety of activities and highlights designed to entertain and engage everyone.

Saturday: Corvette Show and Shine

The Show and Shine competition will be one of the event's main attractions for our sponsors & the public, where owners can display their meticulously maintained Corvettes. Judges will evaluate the cars on various criteria, including originality, condition, and overall presentation. It's a chance for owners to showcase their pride and joy and for spectators to admire these stunning vehicles up close.

Sunday: Driving Tours

What better way to enjoy the Sunshine Coast than from behind the wheel of a Corvette? Organised driving tours will take participants on some of the most scenic routes in the region. These tours offer a unique opportunity to experience the thrill of driving a Corvette while taking in the breathtaking landscapes of the Sunshine Coast.

Social Events

The social aspect of the Corvette Nationals is just as important as the cars themselves. Entrants & their partners will have numerous opportunities to connect with fellow enthusiasts through various social events, including a Welcome Party/Meet & Greet following Friday's registration, Saturday night's Dinner, Sunday lunch, the night's Gala Dinner and Monday morning's hearty breakfast to say your goodbyes and make your safe journey home. These events foster a sense of community and camaraderie among Corvette lovers.

Trophies and Awards

One of the main attractions of the Corvette Nationals is the Show and Shine Day where owners can showcase their prized Vettes. Categories will include Best in Show, Best Restoration, and People's Choice among many other C1 to C8 categories. The awards ceremony at the Gala Dinner will celebrate the dedication and craftsmanship of Corvette owners.

Vendor Exhibits / Our Sponsors

An array of vendors & our sponsors which we greatly appreciate will be present at the Show and Shine Day. Attendees & the public can browse and purchase items to enhance their Corvette experience or simply enjoy the diverse offerings available.

Our Charities

Charities play a crucial role in addressing societal challenges, providing support to those in need, and fostering a sense of community. Two remarkable charities that QCC proudly support have made significant impacts in Australia are Camp Quality and Rosies. Both organisations, though different in their focus, share a common goal: to bring hope, joy, and comfort to individuals facing adversity.

Accommodation

The Sunshine Coast offers a variety of accommodation options to suit all preferences and budgets. We are currently in discussions with a venue to suit the needs of the Nationals. It will be advisable to book early as the event is expected to attract all our Corvette Clubs Australia wide & non-Club Corvette Owners.

Registration

Registrations for the 2026 Corvette Nationals will be available online from April 2025. Early registration is recommended to secure a spot and take advantage of any early bird discounts.

GET YOUR KICKS IN 26

The Sunshine Coast 36th Corvette Nationals in 2026 promises to be a shining celebration of performance, style, and community. Whether you are a long-time Corvette enthusiast or a newcomer to the world of these iconic cars, the event offers something for everyone. CLUB EVENTS: IF YOU HAVE AN AMAZING IDEA

As Events Coordinator, I know everyone is busy from month to month with friends and family commitments etc, but we are always looking for ideas from club members involving runs, dinners, weekends away or any other events as a social outing. The clubs aims at holding two events per month (usually 1 run & 1 dinner).

So please contact me to assist planning your amazing ideas.

The structured events will then be published in our monthly newsletter and club website for all to be made aware of dates and details .

KERNEWEK LOWENDER also know as the "Copper Coast Cornish Festival"

By Alan Litchfield

This is not an official club run, but I'm going, and if anyone wants to join me, have a read below.
Every 2 years, they hold the "Classic Cavalcade of Cars" and this year, it's to be held on Sunday,
18th May.

Last time, in 2023, 8 other Corvettes (and a Capri) followed me over.

It's open for vehicles built in 1995 or earlier.

After departing the START at the Wallaroo Marshalling Yard, the
Cavalcade will travel from Wallaroo thru to Moonta and Port Hughes,
then finishing at the Kadina Oval for public display.

It's like driving thru a Xmas pageant with the streets lined with thousands of people.

Food/drinks and Cornish pasties are available on the oval at the finish.

They get 600+ cars. I don't want to be at the end of the line, so we need to get there early-ish.

I will be meeting at **OTR at Boliver at 6:30AM for a 6:45AM** departure.

Depending on road works, it's about 1-3/4hr drive to the start, (with a
quick Jimmy stop at Pt Wakefield if required.)

This year there's no entry forms. Just rock up and pay the entry fee of \$50.00 at the gate.

More info about the festival can be found here;

<https://www.kernewek.org/classiccavalcadeofcars>

Let me know if you want to come along, so I know who I'm waiting for on the morning.
